My Dear Mrs Manley:

It affords me great pleasure to extend to you an opportunity to play one of our major league teams an exhibition game in Chicago Illinois, at Wrigley Field the home of the Chicago Cubs, Sunday Aug. 12th 1945 a doubleheader game.

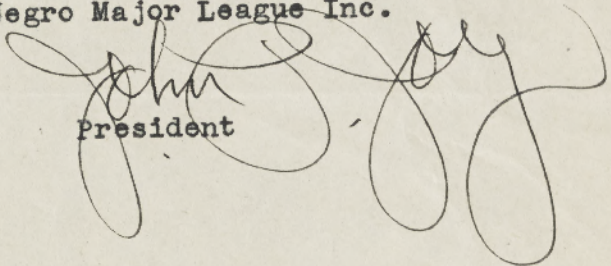

You know the Chicago Cubs management demanded bigger guarantee, for the use of their park, but that is only for the Negro American and National league baseball association and not for the Negro Major league teams Inc. I am sure this game will be most profitable to you and your club. We hope you can see fit to play this game in Chicago.

Mrs. Manley the time is approaching fast if you present team owners do not have a franchise in our Negro major league teams Inc. you are not going to be able to play in the major league parks. I have told you this before Mrs. Manley, don't be miss lead. Please reply to this letter.

Very truly yours

The Negro Major League Inc.
